"Backyard Bliss" #555

ONE COMPLETE KIT

"Backyard Bliss" is a children's playhouse kit — scaled for the children in your 1" to 1' scale dollhouse. "Backyard Bliss" can be decorated as a cozy studio, adorable guest cottage, poolside cabana, etc. Great fun to assemble, paint, decorate, and furnish. Choose from our large collection of handmade children's furniture — complimentary full color brochure in enclosed.

CUTE AND COLLECTIBLE!

As a decorative accent in your own home, "Backyard Bliss" can be a beautiful seasonal or holiday centerpiece for Easter, Christmas, Halloween, Birthdays, etc. A wonderful conversation piece! There's no end to the possibilities!

"Backyard Bliss" is one of a group of small house kits we have designed for your enjoyment. All main parts are numbered to make assembly quick and easy. All parts are pre-cut and accurately machined of high quality materials. "Backyard Bliss" has 4 walls, floor, and 2 piece roof made of 1/4" cabinet grade birch plywood. Kit includes: 7 windows with trim, door with trim, a brass doorknob, materials for chimney, 2 porch supports, material for 2 dormers with trim, porch surround, mortar mix, stone, 750 wooden fishscale roof-shingles for roof and dormers, custom 1 piece fanciful laser cut front peak trim, 2 laser cut gingerbread porch brackets, and laser cut gingerbread trim for above front door. Back of house is

removable. Overall completed size of house is: 8"Wx10 1/2"Lx 11 5/8"T plus chimney. Inside floor area is 6 1/4"Wx7 3/4"L. Custom painting and decorating of our model houses shown above was beautifully done by Candy Cocroft of "Monkey Business." Furniture and accessories shown are not included. This is a complete kit to make model shown. Paint and glue are not included. Detailed instructions are included. House at left in photo above is our "Tulip Cottage." House at right in photo above is our "Storybook Playhouse." Both are complete kits available through your dealer.

"Storybook Playhouse" #560

ONE COMPLETE KIT

"Storybook Playhouse" is a children's playhouse kit — scaled for the children in your 1" to 1' scale dollhouse. "Storybook Playhouse" can be decorated as a cozy studio, adorable guest cottage, poolside cabana, etc. Great fun to assemble, paint, decorate, and furnish. Choose from our large collection of hand-made children's furniture — complimentary full color brochure is enclosed.

CUTE AND COLLECTIBLE!

As a decorative accent in your own home, "Storybook Playhouse" can be a beautiful seasonal or holiday centerpiece for Easter, Christmas, Halloween, Birthdays, etc. A wonderful conversation piece. There's no end to the possibilities!

"Storybook Playhouse" is one of a group of small house kits we have designed for your enjoyment. All main parts are numbered to make assembly quick and easy. All parts are pre-cut and accurately machined of high quality materials. "Storybook Playhouse" has 4 walls and floor, made of 1/4" cabinet grade birch plywood. Kit includes 4 windows with trim; a half-door with trim, a brass doorknob, granular rolled roofing material in your choice of colors, custom laser cut wooden shutters for side windows, laser cut window boxes for front and back windows, 5 laser cut open hearts for trimming heart cut-outs on house, front porch benches with laser cut brackets, 2 pieces laser cut fascia trim for side walls and 3 pieces laser cut front facing trim. Back of house is re-

movable. Overall finished size is: 8 1/2" W x 10" L x 8 1/4" T. Inside floor area is 5 1/2" W x 6 1/2" L. Detailed instructions are included. This is a complete kit to make "Storybook Playhouse" as shown. Paint and glue are not included, accessories shown are not included. House shown at left in photo above is our "Backyard Bliss" #555. House shown at right in photo is our "Tulip Cottage" #565. Both are complete kits available through your dealer. Collect them all! "Storybook Playhouse" is an exact copy of a playhouse my husband, Red, designed and built for our children 30 years ago. Now our grandchildren enjoy it. I hope you do, too. Original painting and decorating of our model homes was done by our daughter, Candy Cocroft, of "Monkey Business."
